Features That Matter

Adjustable Glides

Individually adjustable glides make it easy to stabilize, even when positioned on uneven surfaces.

Ballastable

Ballasting offers additional security by adding weight, reducing the risk of moving or throwing the chair.

Rounded Edges

Smooth, rounded edges provide a pleasing aesthetic and contribute to a safe design.

Extreme Durability

The heavy-duty, durable design offers enhanced safety for residents and peace of mind for staff.

Recyclable

Made from molded polyethylene, this product is recyclable and environmentally friendly.

UV Resistant

Enhanced UV resistant formulation with ultraviolet light stabilizers helps to reduce fading.

Easy Cleanability

Bleach solutions and hospital-grade cleaners can safely be used for sanitation without affecting the surface material or color.

GreenGuard Gold Certified

The highest level of GreenGuard Certification, this product meets strict health-based criteria for VOC emissions and total chemical emissions.

TruColor™ Technology

Our premium TruColor™ technology creates full and consistent coloring that is void of any streaks, speckles or other color disruptions.
